

Dear _____ ,

Welcome to the Rock Club! The Rock Club started from our love of collecting interesting and exciting rocks. Because we enjoy collecting and sharing fun and interesting rocks, we thought it would be great to share our interests with YOU!

Being part of the Rock Club gives you a chance to get outside and search for hidden treasures. Enclosed with this letter is a special rock I found just for you. Whether you already have a collection of rocks or this is the first rock in your collection, we hope you find it fun and interesting to join The Rock Club.

Here are the next steps you should take if you are interested in being part of The Rock Club:

- 1) Send me back a rock that you discovered in your adventures
- 2) Share a rock with someone who would enjoy being part of our club
